KIOSK MANAGEMENT SOFTWARE

Zamok Kiosk Management Software makes integrating & managing your systems fast and easy.

This powerful software suite delivers **functionality** and **administrative control** to get you up and running quickly and enable you to do more with your kiosk.

ZAMOK®
KIOSK MANAGEMENT SOFTWARE

KIOSK ADMIN TOOLS
- Remote Management
- Remote Content Editing
- Lockdown Browser Security
- Alerts and Notifications
- Reporting & Statistics
- Weekly Status Report

FEATURE SUPPORT
- Document Scanning
- Credit Card Capture
- Printing and Copying
- VoIP Service Support
- Live Interpretation
- Live Video Support

COMPATIBILITY
Zamok can integrate with any web-based Employee Self Service (ESS) software, including Kronos, Oracle, Lawson, ADP, SAP, Workday, Empower & more

ZAMOK DASHBOARD — Do it all from your desktop!

Your Zamok control center allows you to **conveniently customize and manage settings for all your kiosks right from your desktop!**

Make your desired changes and see a preview of what is displayed on the kiosk screen.

With the user-friendly Zamok interface, you can configure any button to securely link to a webpage, form, or scan routine.
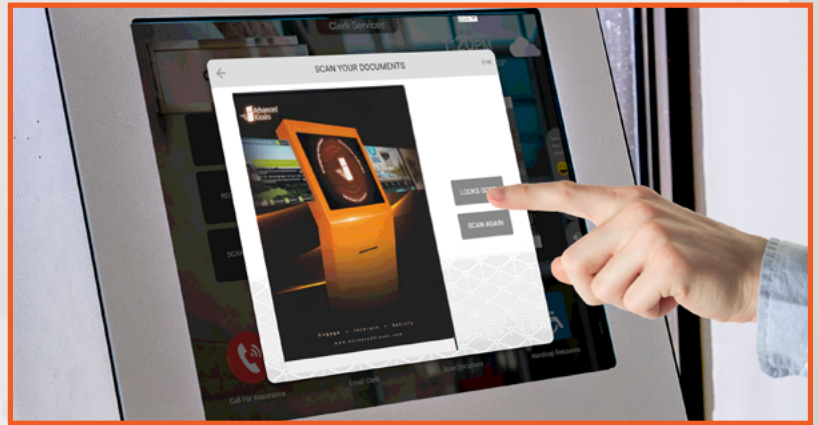

SCANNING WORKFLOW

Our scanning workflow saves time and resources. Customers and employees can autonomously scan & submit paperwork outside of traditional business hours or in remote locations.

THE ADVANCED KIOSKS ONBOARDING TEAM will set up buttons on the kiosk user interface to facilitate the scanning process. Scanned documents can be filed or sent to the destination of your choice.

WITH OUR INTUITIVE SCANNING INTERFACE, users can quickly and conveniently submit their documents. With a printed or emailed receipt, they can be confident their documents were delivered to the correct destination.

THE FULL PAGE DOCUMENT SCANNER is ideal for many HR related tasks: submitting and filing forms, applications, or official documents such as licenses or passports.

DIGITAL FORM FILLING

Say goodbye to the endless stacks of HR paperwork. Our touchscreen digital form filling solution will help your organization transition into the modern age with streamlined processes. You can add *even more* efficiency by configuring automated electronic form filing and delivery.
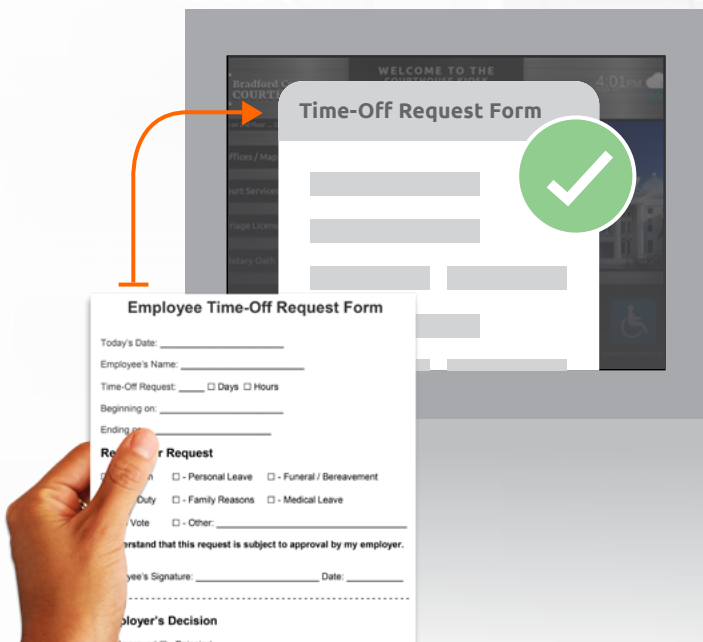

DIGITAL FORM BENEFITS

Whether you fill out forms digitally or scan them in when you are done, digital forms can:

- Improve file management
- Increase security
- Reduce wait times
- Reduce human contact
- Provide paperless option
- Automate data tracking
- Reduce office supply costs

3 WAYS TO FILL OUT FORMS DIGITALLY

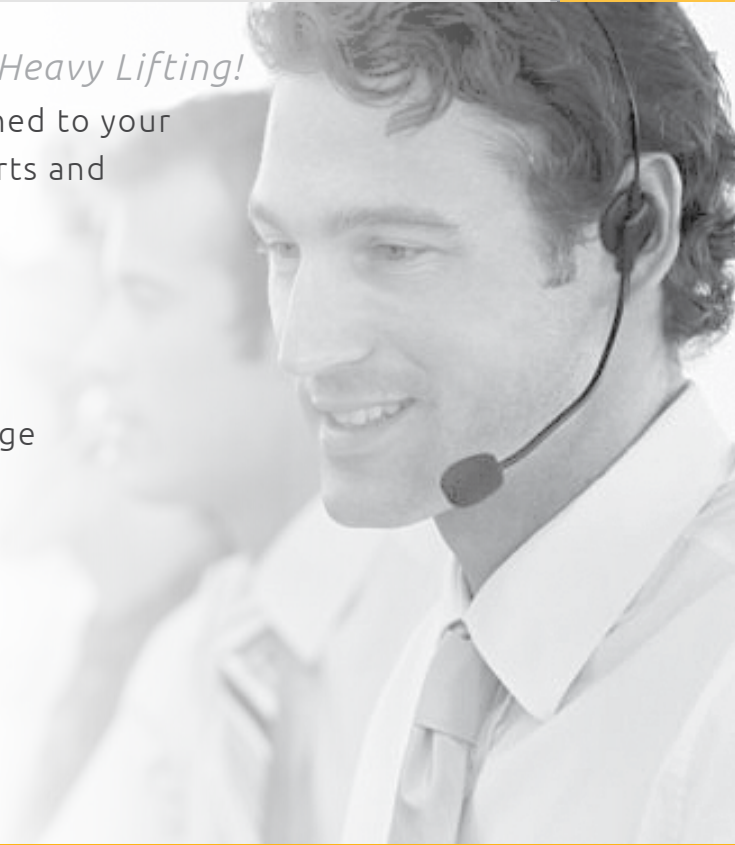

FIND THE CONTACT-FREE METHOD THAT WORKS BEST FOR YOU

1 Fill out an electronic form and have it automatically uploaded to a database.

2 Fill out a digital interactive PDF and email it to the recipient of your choice.

3 Print the form, fill it out, sign it, and scan it back in to be delievered electronically.

ONBOARDING: Have a paper form? We can make it digital. See our On-Boarding Section for more details.

ON-BOARDING: *We do the Heavy Lifting!*

A Customer Success Specialist is assigned to your project to oversee everything from parts and delivery to installation feedback.

- 10 hours of one-on-one set-up time
- Kiosk management software setup
- Overview of kiosk administration tools
- Training to ensure you are prepared to manage your kiosk system
- Content retrieval to set up users, list of document names, and tags
- Transferring paper forms to make them virtual
- Work with an IT manager to make sure all protocols are met.

SOFTWARE INTEGRATION

Thinking about adding self service kiosks into your lobby, but worried about how they will interact with your existing systems?

Our Zamok™ suite of powerful kiosk management tools is compatible with any web-based software application you may already have in place. Our in-house team of project managers and software engineers are ready guide you every step of the way.

Zamok Kiosk Software presents your web-based software systems in a secure browser window, preserving your existing software investment and preventing unwanted tampering.

WHY ADVANCED KIOSKS?

Advanced Kiosks was founded on the principle of providing turnkey solutions. With nearly 20 years of experience and a team of experts in engineering, software and project management, Advanced Kiosks is equipped to make your self-service project a success.

3 YEAR WARRANTY

Advanced Kiosks takes pride in building self-service kiosks with commercial-grade, American-made, high-quality components.

ADA & 508 COMPLIANT

All kiosks and software we build come standard with the features needed for ADA and 508 Compliance to ensure the best user experience.

GSA ADVANTAGE

As an authorized GSA Advantage Vendor, Advanced Kiosks guarantees the best price to your courthouse kiosk solution.
