WELCOME TO ADVANCED KIOSKS®

Where we don't just sell kiosks, we solve problems.

For over two decades, Advanced Kiosks has been at the forefront of self-service technology, providing comprehensive solutions that address the unique needs of our customers. From hardware to software and user interface design to support and onboarding, we handle every aspect of the process, ensuring that our kiosks are ready to plug in and add value from day one.

Our Solutions Team comprises a diverse group of experts, including engineers, project managers, UI designers, IT technicians, and sales and service personnel. This dedicated team ensures that every customer receives top-of-the-line support and service from start to finish.

Advanced Kiosks is now partnering with select companies to resell our turnkey products. These systems are complete solutions that include hardware, software, onboarding, and support. Most are backed with a 3-year warranty. These products are all found in this brochure with more in development.

Our Kiosk Partner Program gives you access to a wide range of the industry's best technologies that will solve problems and add value from day one, giving you the ability to solve problems and open doors.

Our extensive range of made-in-the-U.S.A. self-service systems are completely customizable with camera options, custom artwork, audio system, LED lights, card readers, printers, scanners, and more.

WARRANTY DETAILS

We offer the industry's best: a standard 3-year warranty on select models. [Learn More](#). (advancedkiosks.com/products/hardware-kiosk-warranty)

AK VISITOR MANAGEMENT SYSTEM

With the AK Visitor Management System, you can automate your lobby so your visitors are greeted and their needs are quickly met. Visitors can search for companies, departments, or people. Call them and/or text message them or get detailed wayfinding directions as well as a list of other conveniences. If security is a concern, the sign-in feature with a printed name tag is a must-have. Our facial detection feature with auto-cropping guarantees a great photo for a perfect name tag every time.

BENEFITS FOR THE ORGANIZATION

Security: Implements access control and visitor tracking for enhanced safety.

Operational Efficiency: Automates check-ins and badge printing, speeding up reception processes.

Customization: Allows interface personalization to reflect branding and operational specifics.

Communication: Enables direct VOIP and text communications between staff and visitors.

Analytics: Provides usage statistics and visitor flow data through automated reports.

BENEFITS FOR THE END USER

Convenience: Simplifies entry with quick check-ins and badge printing.

Easy Wayfinding: Offers interactive maps and directories for easy facility navigation.

Accessibility: Includes features for users with visual impairments, ensuring inclusivity.

Language Support: Translates interface into 120 languages to accommodate diverse visitors.

Emergency Access: Easy-to-use emergency contact features enhance visitor safety.

OFFICE EXTENSION

Selling this product requires specialized training. Please inquire on our website.

The Office Extension is highly favored by government agencies, courts, housing authorities, and HR departments. It's renowned for its flexibility in configuring self-service functions, seamless communication and reporting capabilities, and easy interfacing with third-party software. Office Extension uses Zamok Kiosk Management Software to revolutionize the way organizations handle documents, with streamlined workflows for scanning, printing and digital form fill.

BENEFITS FOR THE ORGANIZATION

- Efficiency:** Automates menial tasks like form fill, scanning and printing, reducing staff workload.
- Communication:** Offers VoIP and automated notifications to improve client interaction.
- Data Delivery:** Integrates secure document uploads and third-party software for safer, error-free management.
- Customization:** Allows branding customization to enhance organizational visibility.
- Reporting & Analytics:** Provides key usage statistics and reports for better decision-making.

BENEFITS FOR THE END USER

- Ease of Use:** Features an intuitive interface with customization options.
- Language Support:** Interface translation compatible with over 100 languages, widening accessibility.
- Convenience:** Centralizes services like payments and document handling in one device.
- Security:** Ensures user data privacy with secure browsing and document management.
- Guided Forms:** Simplifies the form-filling process with step-by-step assistance.

WHY ADVANCED KIOSKS?

Advanced Kiosks was founded on the principle of providing turnkey solutions. With over 20 years of experience and a team of experts in engineering, software and project management, Advanced Kiosks is equipped to make your kiosk project a success.

3 YEAR WARRANTY*

Advanced Kiosks takes pride in building self-service kiosks with commercial-grade, USA-made, high-quality components.

**on select models*

ADA & 508 COMPLIANT

All kiosks and software we build come standard with the features needed for ADA and 508 Compliance to ensure the best user experience.

24/7 SUPPORT

A team of kiosk technology experts is always available to assist with any issues that arise. Create a support ticket online for prompt service.

ON-BOARDING & CUSTOMER SUCCESS: *For Seamless Integration*

Understanding the importance of effortless implementation, **we provide a dedicated 8-hour onboarding session** with a specialist to tailor any of our product software and user-interface precisely to your customer's needs. This process includes:

Custom Configuration: Adapting the software interface to align with your customer's unique branding and objectives.

Expert Training: Equipping your customer with the knowledge to manage and maintain the kiosk effectively, ensuring its continued service and value.

Additional Support Options: Should a customer require further assistance beyond the initial 8 hours, additional support time is available for purchase, ensuring your setup reflects your customers' vision perfectly.
