THE BENEFITS OF SELF STORAGE AUTOMATION

Implementing self service in your self storage facilities can be a huge advantage over the competition. Not only does it give your customers on demand access to services and features, it also benefits your bottom line!

- Eliminate or Decrease Staffing
- Expanded Sales Capacity
- Insurance Sales Potential
- Upsells and Advertising Opportunity

BOTTOM LINE RESULTS

After only one month of self storage automation, 10 Federal saw a 12% savings. After four months, they saw a 14% revenue increase, a 41% increase in NOI, and a 33% increase in rentals.
